Summary

Junior Front end Web Developer looking for an opportunity to be part of a great team.
I currently reside in Los Angeles, CA where I have spent most of my time improving my web development skills.
I have an A.S. in computer science from Georgia Perimeter College and lots of years of self-taught web development
with the help of books and online programs such as Team TreeHouse, Lynda.com and Youtube.
Skilled at writing clean code, efficient code using current best practices in Web development.
I am responsible, self-motivated, and a great team player.
My only desire is to work for a company where I can be a great asset and give 100%.
